

安利直銷商大會 Amway Special Rally

安利直銷商大會已於早前假九龍灣國際展貿中心圓滿舉行，當晚大會主題為「成就自我·多元未來」。安利(香港)副總裁姜張麗青女士為大會致辭，分享「安利是一個怎樣的事業機會」，並從四個不同角度，呈現安利事業如何讓你自主精彩人生。姜太分享道：「安利是一個大健康事業，在大健康產業擁有強大的優勢及雄厚的實力。其次，安利是指尖上具溫度的創業機會，以人為本；透過線上或一部手機便能開展具人情味及有溫度的生意。第三，安利助你把興趣發展為終生事業，透過線上或線下與朋友分享，將自己的興趣發展成安利事業。最後，安利更是跨國界、跨世代的事業；只要在香港建立好根基，日後在其他國家和地區一樣可以繼續經營安利業務。同時，安利是一個家族生意，你既可與家人一起發展，更可以把事業傳承予子女。」

Forge Your Own Path. Shape Your Future

Held at the Kowloonbay International Trade & Exhibition Centre on May 25, the Amway Special Rally, “Forge Your Own Path. Shape Your Future”, received an overwhelming response. Mrs. Angela Keung, Vice President of Amway Hong Kong, shared with the audience on the subject “What is Amway?”, looking at the question from four different angles to demonstrate how Amway enables people to enjoy an independent and splendid life.

“Amway is a health and wellness business that possesses competitive advantages and strengths in the industry. Amway is also a high-touch business opportunity at your fingertips, where you can start your own business that shows human kindness either online or through your mobile phone,” Mrs. Keung shared.

“Thirdly, Amway enables you to turn your passion into a lifelong business, at the same time as sharing your interests with your friends and building an online and offline community,” she said, adding that Amway is a borderless & trans-generational business. “As long as you have established a solid foundation in Hong Kong, you are able to develop your Amway business in different countries and territories in the future. Moreover, Amway is a family business that you can not only develop together with your family, but also pass on to your children.”
